

Party in the Park II!

Presented by the Fort Wayne Sports Corporation
Friday, February 3, 2012 6-9 p.m.

The excitement continues for another year of **many Stars and one big Diamond** at Parkview Field.

Seattle Mariners manager and Icon **Eric Wedge** headlines a list of local sports personalities such as Komets Legend, Guy Dupuis, retired NFL Offensive Lineman, Jason Fabini and All-American Girls Professional Baseball League catcher, Wimp (Mary) Baumgartner just to name a few!

Mingle with the stars as you enjoy the festivities in the **Suite Level Lounge** overlooking Parkview Field. Gourmet hors d'oeuvres will be available throughout the evening along with a cash bar.

We will also be honoring local sports organizations and individuals who've been an important part of Fort Wayne's sports culture.

During the evening you can place bids on **sports memorabilia** and other items that are part of a **silent auction**. There is also a **live auction** for items such as a fully paid trip (hotel, airfare and game tickets) to see the Mariners in Seattle, WA.
